PRODUCT OVERVIEW

WurkBook — HMS

An advanced Hospital Management System that unifies clinical, administrative and financial workflows with speed, security and precision — digitizing every hospital process from registration to reporting.

Attractive Dashboard

Real-time OPD / IPD / doctor & organization insights at a glance.

Smart E-Prescriptions

Digital Rx with templates, auto-fill and save-as-draft.

Role-Based User Management

Granular, access-level permissions for every user.

RGHS Support & Digital Reporting

Compliant reporting with government scheme support.

HMS DASHBOARD

117

Total OPD Patients

39

Total IPD Patients

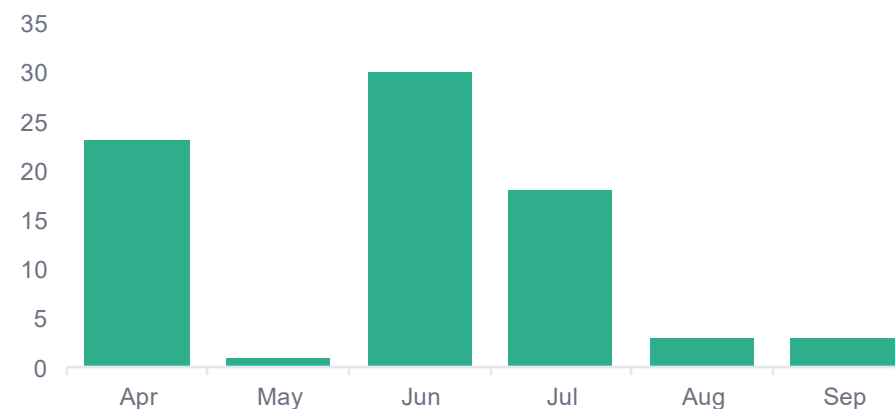

33

Total Doctors

3

Organizations

Patient Growth (OPD)

Core Setup Modules

1

Hospital Core Setup

Specialties, wards, room facilities, service charges & live room chart.

2

Billing Core Setup

Procedure & bedside-test configuration for accurate charge capture.

3
